

Welcome!

Join the movement for Medicare for All in Western Mass.

Western Mass. Medicare for All (WMM4A) is a regional network connecting individuals and groups to build the movement for health care as a human right and a Single-Payer system in Massachusetts. Subscribe to our listserv, attend our monthly meetings, visit our website at www.wmmedicareforall.org, “like” us on Facebook.

Join a Local Hub - A “hub” is a group of single-payer activists who form a “hub of activity” in a particular town or area. We can connect you with an active hub near you, or help your group to start a new one.

Learn More - about Single Payer / Improved Medicare for All. Find information and links on our website: www.wmmedicareforall.org. Stay updated about local forums, meetings and other events by subscribing to our listserv - send a message to info@wmmedicareforall.org.

Outreach - Talk to friends, neighbors, and co-workers. Use the media, social media, and public events to discuss Medicare for All and invite others to get involved. Help us table at Farmers’ Markets – summer and winter: contact Jane Allen at nellajpt11@gmail.com.

Lobbying – Contact your state legislators and ask them to enthusiastically support Medicare for All. If they have not done so already, ask them to cosponsor Senate bill 619. Help pass a resolution in support of Medicare for All in your town or city. Ask candidates to speak out in support of Medicare for All during their campaigns.
